

## Announcements for Sunday, April 19<sup>th</sup>, 2026

Welcome! Here is a quick look at some of the upcoming days and weeks in the life of the Church.

In the early church, people were so excited about the news and truth of the Resurrection of Jesus Christ. A traditional greeting among believers was “He is risen!” to which the response would come, “He is risen indeed!” Individuals traveling through life offering words of hope and victory to one another. That was then. What about now? We should be living in the same truth of the power of the Resurrection. The Resurrection changed everything. Jesus changes everything! Come witness stories of the old life passing away and the new has come. “He is risen.” The audience that originally heard that message was small, just a few women. But the impact of those three words spoken by the angel was felt throughout history. They have changed your history!

He is risen! He is risen indeed!

Join us this Sunday! We’ll be looking for you!
