

Announcements for Sunday, February 1st, 2026

Welcome! Here is a quick look at some of the upcoming days and weeks in the life of the Church.

There are several accounts in the Bible about various meals that Jesus enjoyed with others. The meals of Jesus represent something deeper. They represent a new world, a new kingdom, and a new outlook. Join us as we examine what Jesus taught us through the meals he had so that we can discover those things around the table as well. This Sunday's message is titled, "Meals as Enacted Salvation" and based off of Luke 22:7-20.

We'll be looking for you!
